CTE Certification Exam Reimbursement

TEA has been allocated funds to reimburse local education agencies (LEAs) for the cost of certification and licensure exams on an application basis.

The district must have paid the fee for the certification examination with state or local funds only. Examination fees paid with Perkins funds are not eligible for reimbursement.

TEA has published an information letter at

http://tea.texas.gov/interiorpage_wide.aspx?id=51539613865

Has Biotech 2 been put into the books as a science credit?

It WILL be a science credit per John Ellis, but not reflected yet in TEKS. Once it does, it will be sent out via CTE listserv. Sign up for TEA updates:

Bio-link Summer Fellows Application: <https://www.bio-link.org/home2/event/apply-now-for-the-2017-bioscience-industry-fellows-program>

Shout out to Jose Ayala for sharing this Virtual Biotech

Company: <https://www.franklinbiologics.org>

Making the Call: Quality in Biomanufacturing

Tip: Managing lab notebook with 25

Check out this stain free SDS gel from Bio-rad. This gel produced by students in high School using DHFR kit. <http://www.bio-rad.com/en-us/product/protein-expression-purification-series>

plus kids in 4 classes is overwhelming! Coloring coding class items with tape has allowed me to manage so much "stuff"!
